The JKOMFS foundation is a nonprofit 501c corporation whose sole purpose is to promote the further education and support of the LSU OMS program, its trainees, and graduates. Legacy giving is an estate planning tool that many find helpful in reducing the tax burden on their survivors. If you are interested in how you might contribute and how contributing will help your family and future generations of LSU OMS residents please contact a member of the JKOMS Board or the LSU OMS Department and more information will be provided on the details of this important estate planning tool. Alternatively, if you would like someone to contact you, specifically an estate planning professional, please check below.

\_\_\_\_\_ I would like a representative from JKOMS contact me about legacy giving and what tools are available to give back to my specialty training and benefit my estate at the same time.

\_\_\_\_\_ I already have made provisions in my will or estate planning tools. I would like to be recognized for what I have pledged. Please contact me to learn the details of my future pledges to the JKOMS Foundation.
